# Overview excluded countries 2021

a.s.r. pursues a strict exclusion policy for countries who do not respect the democratic freedoms or those countries with a poor score regarding corruption and environmental management. The exclusion list is based on the research of internationally recognised indices as the Corruption Perception Index for countries scoring lower than 30 points, the Freedom House where a.s.r. excludes not-free countries and the SDG Index, excluding countries scoring lower than 50 points average for SDGs 7 (Affordable and Clean Energy), 13 (Climate Action), 14 (Life Below Water) and 15 (Life on Land)\*.
