Education

Daniëlle Jansen Heijtmajer obtained a Master's degree in Economics at the University of Amsterdam. She also participated in executive education programmes at INSEAD and London Business School, within Shell and FrieslandCampina.

Current Positions

Daniëlle Jansen Heijtmajer is Global Director Finance, Enterprise Risk Management & Shared Services at FrieslandCampina. She has held this position since 2014.

Previous Positions

Daniëlle Jansen Heijtmajer started her career in KPMG in 1981 in the EDP audit section. Ten years later she moved to Shell, where she held various positions in several countries from 1991 to 2014, the last position being Vice President Group Pensions.

Ancillary Positions

Daniëlle Jansen Heijtmajer is Chairman of the Supervisory Board of Aegon Nederland N.V. She is also a member of the Supervisory Board of Uber Payments BV (Chairman Audit Committee) and TKP Pensioen BV. She is a member of the Curatorium EMFC of Amsterdam Business School and a member of the Advisory Board Economics & Business of the University of Amsterdam.

Reason for nomination

In connection with the Intended Transaction, a.s.r. has agreed with Aegon that two new members of the Supervisory Board, nominated by Aegon, will be nominated for appointment as of Closing, one of whom will be an independent female member within the meaning of the Dutch Corporate Governance Code. Further information is provided in the shareholder circular forming part of the meeting documents of the Extraordinary General Meeting of ASR Nederland N.V. to be held on 17 January 2023.

Daniëlle Jansen Heijtmajer is a finance professional with extensive international experience at executive level. She has been based in several countries (NL, US, UK) and has worked in global roles/virtual teams dealing with a multitude of different country and working cultures. Her strengths combine integrity, drive, perseverance and energy, with a clear focus on innovation and business opportunities. As a consistent high performer, consistently delivering results, she has a strong customer and stakeholder orientation. In all her roles, change management and commensurate risk management feature prominently in her responsibilities.

The Supervisory Board is confident that these qualities and experiences will be of great value to a.s.r.
