Progress share buyback programme 10-11 September 2020

ASR Nederland N.V. (a.s.r.) announces the following transactions, executed within the resumed share buyback programme, for the purpose of the share plan within a.s.r.'s revised capital policy as announced during the publication of the full-year results 2019.

In February, a.s.r. announced the start of a € 75 million share repurchase programme. This programme has been temporarily suspended following a call by the Dutch Central Bank and the European regulator EIOPA in April of this year.
